Sailed from	Day of Month 1857	Days at Sea	Arrived At	Day of month 1857	Days in Port	Distance Sailed	Remarks
Norfolk	Aug 4	25	Madeira	Aug 29	12		Arrived off the Island of Madeira 19 days - took the Northern route & was detained for 6 days by unfavorable winds from the S W - weather unsettled & squally. The passage from Madeira, was decidedly disagreeable having any quantity of wet weather particularly in the that portion south of the equator - did not get the regular South west winds until we passed the Meridian of Greenwich - Before & upon making the Land experienced a very strong current setting to the N & W - averaging a mile an hour sometimes more,
